Re: Navajo Sandstone Reclamation,  
Refer to 3800, (U-010), UTU-070569

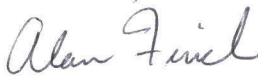

Dear Larry,

This letter is in follow-up to our discussion we had during your recent site visit to the Navajo Sandstone Quarry and what efforts could be made to prevent vehicle traffic from entering the reclaimed quarry site. Per your recommendation, we have since posted a sign at the sight. This sign is posted on the gate (which is part of the BLM fence line) that provides access to the area. The sign contains the following language:

NOTICE: NO VEHICLES ALLOWED BEYOND THIS POINT.  
RECLAMATION OF AREA IN PROGRESS.

Enclosed is a picture taken after the sign was posted. I trust this action will meet your approval. Please contact me if you have any questions or need further information. I can be reached at (435) 857-1209.

REGARDS,

  
Alan Finch  
Plant Engineer
